# Applying for Scholarships

**1** Request access to your Lewis and Clark email.
You can access your LC email after you have applied and enrolled at the college. If you are enrolled in a dual credit or concurrent enrollment course through LC you already have an LC email. Call the HELP desk (618) 468-4357 to retrieve your LC email credentials.

**2** Visit www.lc.edu/scholarships and click "APPLY NOW" or scan this QR code to access AwardSpring, our new Scholarship Portal.

Apply Now!

**3** Sign in with your LC email and password.
By logging into the application with your LC email and password, information from your LC student account, such as name, address, credit hours, etc. will be automatically pulled into the application and you will not have to answer those questions.

**4** Answer all the questions as thoroughly as possible.
As you work through the application, more questions might appear dependent on your previous answers. All questions must be answered in order to submit your application.

**5** Submit your application!
After you have submitted the application, your answers will be auto-matched with our list of scholarships. There will be follow up questions/requests related to specific scholarship opportunities you qualify for on the right-hand side of the screen. Please complete the follow-up requests before the deadline to be considered for those opportunities.

Log into your application at any time to check its status and what scholarships you qualify for.

The application will close April 8, 2024,
Scholarships will be awarded by early May.

**Questions? Contact scholarships@lc.edu.**
